Team Name:

The person named on this registration form wishes to participate in the Around the World in 5K Run/Walk on November 19, 2016, in West Allis, Wisconsin. Those who have made this event possible - all our sponsors, the State Fair Park, the International Institute of Wisconsin, Friends of the International Institute of Wisconsin, run coordinator, the event sponsors, volunteers and officials (collectively, the "Organizers") - wish to extend to the fullest possible amount that they are not sued or held liable for injuries or damages sustained by participants or those attending this event. I make this release and indemnification agreement on my behalf, and on the behalf of anyone who would be able to sue if I were injured while participating in or attending this event. In return for being allowed to participate in the event, I agree and acknowledge as follows: (1) Participation and attendance at running events carries with it some risk of serious injury, including, in rare cases, death. The risks include, but are not limited to those caused by overexertion, vehicular traffic, the course, weather, facilities, equipment, Organizers, spectators, and other participants; (2) I assume all risk of participating in this event; (3) I understand that the Organizers of this event are relying upon the agreement and representations I make here; (4) I release the Organizers of the event from any and all claims, including negligence claims and claims relating to personal injury and property, arising out of my participation or attendance in this event, except I do not release reckless or intentional tort claims; (5) I agree to indemnify the Organizers if I or anyone else brings a claim against the organizers due to injuries I receive due to my participation in or attending the event ("Indemnify" here means to reimburse the Organizers for any sums they have had to pay and expenses/fees they incur due to an injury claim relating to me); (6) I give permission for the free use of my name and picture of any broadcast or media account or promotion of this event; and (7) I have carefully read and understand it. If I am under 18 years old, my parent or guardian is signing on my behalf, and my parent or guardian also agrees to indemnify the Organizers due to injuries I received due to my participating in or attending the event. With knowledge of the risks involved and the rights I give up, I waive the rights I might otherwise have and freely sign this document.
